**DEFENDANT ACTING DEPUTY POLICE CHIEF GEORGE B. HESSE'S RESPONSES
AND OBJECTIONS TO PLAINTIFFS' SECOND SET OF INTERROGATORIES**

Pursuant to Rules 26 and 34 of the Federal Rules of Civil Procedure and the Local Rules of the United States District Court for the Eastern District of New York ("Local Civil Rules"), Defendant Acting Deputy Police Chief George B. Hesse ("Defendant Hesse") hereby responds and objects to Plaintiffs' Second Set of Interrogatories ("Requests"), in accordance with the numbered requests as set forth below. These responses and objections reflect Defendant Hesse's current knowledge and the results of their investigation to date. Information that Defendant Hesse may obtain from the parties to this litigation and/or from any other person through future use of discovery procedures, or otherwise, may be relevant to the substance of Defendant Hesse's instant responses, and Defendant Hesse does not purport to be providing such

information, if any, in the instant responses. Defendant Hesse reserves the right to amend or supplement these responses in the future in accordance with Fed. R. Civ. P. 26(e)(1) as may be necessary or appropriate.

GENERAL OBJECTIONS

Defendant Hesse objects to plaintiffs' Requests on the following general grounds. All applicable general objections are also included among Defendant Hesse's specific objections to each of Plaintiffs' Requests.

1. Defendant Hesse objects to each Request to the extent that it seeks information or documents that are irrelevant, immaterial, and not reasonably calculated to lead to the discovery of admissible evidence in this action. Defendant Hesse objects to each Request to the extent that it is overly broad, oppressive or unduly burdensome.

2. Defendant Hesse objects to each Request to the extent that it seeks the disclosure of confidential personal, medical and/or business information or documents concerning Defendant Hesse, the disclosure of which would violate the privacy of Defendant Hesse unless an appropriate Order of this Court protecting the confidentiality of such information or documents is in place.

3. Defendant Hesse objects to each Request to the extent that it seeks the disclosure of confidential information that concerns individuals other than Defendant Hesse who are not parties to this action, the disclosure of which violate the privacy interests of such individuals.

4. Defendant Hesse objects to each Request to the extent that it is vague, ambiguous and/or lacks sufficient specificity so that Defendant Hesse cannot understand what

information and/or documents Plaintiff are seeking and is unable to formulate a responsive answer.

5. Defendant Hesse objects to each Request to the extent that it is calls for legal conclusions or seeks information or documents that are protected from disclosure under the attorney-client privilege, the work-product doctrine, and/or any other applicable privilege, protection, statute, rule, regulation or common law principle. Inadvertent identification or production of any such document or information shall not constitute a wavier of any privilege with respect to the subject matter thereof or the information contained therein, and shall not waive the right of Defendant Hesse's objection to the use of any such document or the information contained therein during any subsequent proceeding.

6. Defendant Hesse objects to each Request to the extent that it is reasonably limited in time or seeks information or documents outside the time period relevant to the present litigation.

7. Defendant Hesse objects to each Request to the extent that it seeks to impose obligations beyond those required by the Federal Rules of Civil Procedure and/or Local Civil Rules.

8. Defendant Hesse objects to each Request to the extent that it seeks the disclosure of information already known or available to Plaintiffs or documents in Plaintiffs' possession that are more readily obtained by Plaintiffs without subjecting Defendants to unreasonable burden and expense.

9. Defendant Hesse objects to each Request to the extent that it calls for a narrative and/or requires Defendant Hesse to conduct investigatory activities on Plaintiffs.

10. Defendant Hesse objects to each Request to the extent that it is duplicative or cumulative of other requests

Defendant, **ACTING DEPUTY POLICE CHIEF GEORGE B. HESSE, individually and in his official capacity**, pursuant to Fed. R. Civ. P. 34, as and for his response to Plaintiffs' Second Set of Interrogatories, does hereby upon information and belief allege as follows:

INTERROGATORY 1:
